Treasurers Report:

Treasurer Drew Schwartzel reported to secretary Sabolek that there have been no changes to the budget. The Third Regiment account currently holds a balance of $1082.29.

Meeting Notes

Meeting Called to Order: 7:05 PM

Event Discussion

Remembrance Day:

The **annual meeting** will either be at the Gettysburg Legion, in which Chad Slater needs to call and reserve it, or it will be at O' Rourkes in the large room upstairs. President Campbell reached out to O' Rourkes and they will get back to him this week, when we hear back from either them or Chad, we will provide a definitive date, time and location. The Legion had no documentation of Mr. Slater booking with them for this year.

The question was posed as to what we wanted the 3rd Regiment to do/be for this years Remembrance Day. Options were floated around in previous meetings, but the one that was agreed on was allowing the LR to march at the head of the column of companies, followed by the 28th, and the remainder of the member units following in a company behind. ***The cadre said at this point, we need to have a discussion at the meeting this year of what we want to do for Remembrance Day 2027, so we have an in place plan and are not scrambling***. Generic federal, and allow members to bring out colors and their unique uniforms.

Member units have voiced their displeasure at the lack of communication from the leadership this year, and in general.

The response by President Campbell would be to possibly change the military "commander" to the military "coordinator". This would allow for better communication, "drum banging", and ultimately to allow for all units to take up leadership roles within the 3rd Regiment.

The "coordinator" would not be a person who is always "in charge" at events, but rather someone who can coordinate with other groups in hopes to form working relationships, like the 124th NY, Bucktails, and various other units that host events worthwhile attending. But most importantly, the coordinator would be someone who is actively communicating and informing the groups of planning and coordination.

Tom Grant and Joe Sabolek would work together to write a new proposal to bring to the regiment.

2026–2027 Event Planning

Jerry Lynes brought up that we need to have events ready to bring to the member units at the meeting, the board agreed, and that we should begin collaborating now.

The board and cadre concluded with these three events, the preferable number of events that we support and attend besides our own.

124th NY "Milk and Horses" April 9-11, Appomattox, VA, LH.
165th Antietam hosted by HHV. Labor Day Weekend 2027.
Remembrance Day 2027.

The cadre will bring Point Lookout to the member units vote, as to when the 3rd Regiment would like to do it, and if they would like to participate in an event. We have been invited back and have the opportunity for virtually any weekend in '27.

We need to have member units ready to discuss these if they'd like.

Third Regiment / Participation

- We would like representation from different groups outside of Western PA. The 28th Mass is one of the largest and most well known units currently, it would be a huge addition to provide representation in leadership from them.
- The LR has discussed loosely of possibly holding an event at Paynes Farm, a force on force that would pit the 3rd Regiment against them in an immersive tactical. Although this has not been confirmed, it was discussed as a fantastic way to allow for many groups to collaborate in an immersive environment.
- Tom said that if we plan on hosting larger immersive events, we need to look to '28. Secretary Sabolek agreed, and that the most successful events are the ones that are not planned hastily.

Organization

- No official resignations have been submitted.
- We would like more nominations and have representation from different regions and units.
- Tom will not be in attendance this year at Remembrance Day.
- We will have another meeting next week sometime since there were reduced numbers tonight.

Nominations

- **Nominations must be submitted as soon as possible.**
- ***11th PVI has submitted a nomination for Tom Grant as Military Commander.***

The meeting concluded at 8:04 PM
